 - 4.3. Customers can play with the Unicard main card, along with the addition cards;
 - 4.4. One account of the main and additional cards will play together in a single game;
 - 4.5. The game codes generated on different accounts of the main card for the same owner are not summed up; on these accounts, existing codes will participate in the game independently of each other.
5. Terms and conditions of electronic game:
 - 5.1. After the authorization, the user will move to the "Start" position on the game map;
 - 5.2. If at least one card, united under one account is authorized, all additional cards are automatically included in the game. Cardholders will only identify the mobile number and confirm a single SMS code;
 - 5.3. The game consists of 60 levels;
 - 5.4. In the active period of the game, when the user will make at least 20 GEL transaction, he will get automatically SMS code with the text: (Join the Unicard electronic game and win the **iPhone X**. Details of the game see on www.unicard.ge sms off 95552);
 - 5.5. During the game period, user who will make more than 20 GEL transaction at any partner company will get one unique code via SMS (for example: transaction of 50 GEL - 1 game code, transaction of 100 GEL 1 game code etc. in spite of the amount);
 - 5.6. Both the registered owner of the main card and of the additional cards must enter the received code into the playing field to go to the next level;
 - 5.7. Cards attached to one account are played together (by one game map) which increases the convenience and prize winning coefficient for the main card account holder.

- 5.8. It is necessary to enter (activate) each new unique code on the web page to go to the next level, otherwise the next level does not go automatically;
 - 5.9. The next level is activated after activation of each SMS code on the game map;
 - 5.10. You can activate SMS code as soon as you got it as an SMS message, and at any time before the end of the game.
 - 5.11. The cards attached to one account can get 5 (five) SMS codes during one day (24 hours), but not more than 2 (two) SMS codes for each partner object, existing at the same address.
 - 5.12. Payment by VTB Bank and Unicard joint card in the Unicard partner companies or non-partner companies is considered to be one type of payment at non-partnership organizations and within 24 hours the user will get only two codes, in spite of the number of transactions carried out.
 - 5.13. When paying with VTB Bank and Unicard joint card at Unicard Partner companies, in addition to the calculation of points, a magnetic stripe on the card is also swiped, the user will get SMS code according to the standard scheme.
 - 5.14. Throughout the game, users are aware of two (2) stages of guaranteed Unicard points won, namely the 30th and 60th levels.
 - 5.15. In the electronic game, only one main prize is **iPhone X**, which is given at the 60th level of profit.
 - 5.16. Unicard main prize - iPhone X will win one holder of Unicard Basic Card, which turns out to be the most convenient and will make sixty (60) transactions of at least 20 GEL and faster than all will enter all sixty received SMS codes in the active field of the web page (winner).
6. The reveal of the winners
 - 6.1. The winner will be revealed instantly as soon as the first user passes the 60th transaction SMS code.
 - 6.2. The winning user will automatically receive SMS notification about the win of the main prize of the game **iPhone X**.
 - 6.3. The information about the winner will be posted on Unicard website and on Unicard Facebook page on the same working day (10:00 - 19:00) or on the next working day (10:00 - 19:00).
 - 6.4. Unicard reserves the right on the information of the winner in the game, exactly the name, surname and photograph and to spread by the advertising-marketing channels (Unicard website, social network Facebook Unicard page, web banner, advertising clips for marketing purposes according to the law established in the Georgian Legislation.
 - 6.5. Those users who did not win the main prize during the electronic game, but overcame the winning stages guaranteed by Unicard, will instantly get 30 and 60 points, information about which will be received via SMS instantly.
 - 6.6. If in the electronic game on September 14, 2018, before 18:00, the winner of the main prize will not be revealed, then the game will end at 18:00 on the same day, without identifying the winner.
 - 6.7. If during electronic games, the winner of the main prize will be revealed before the end of the game; in this case, the game will last until 18:00 on 14 September 2018 and at the end of each 30th and 60th stage winners will receive 30 and 60 Unicard points.

7. Other issues

7.1. Unregistered users will not be able to participate in the game.

7.2. The Unicard has the right to disconnect / block the user out of the game at any level if Unicard assigned the questionable status of the operation of receiving and generating codes;

7.3. Unicard Employees and all additional cardholders attached to the Basic Card Accounts are restricted to participate in the game.

7.4. The main prize - **iPhone X** - is issued only to the owner of the main card, in the case of providing the ID document.
